माँ

माँ तेरे आँचल में मैंने सरपट दौड़ लगाई थी।
कभी लगी जो ठोकर मुझको मैं माँ-माँ चिल्लाई थी।
तेरी ऊँगली थाम कर मैंने, रूक-रूक चलना सीखी थी।
माँ तेरा स्पर्श प्यार का, सचमुच कितना नीका था।
याद मुझे है एक-एक लोरी, तूने मुझे सुनायी थी।
हुआ उदास मन मेरा कभी तो तेरे पास ही आयी थी।

कभी लगी जो ठोकर.....

निराहार रह मुझको माँ तू, अपना दूध पिलाती थी।
मेरी वेदना से पहले माँ, तेरी आँख भर आती थी॥
मेरे एक झूठ पर मुझ पर, कितना तू चिल्लायी थी।
दातुन काजल चोटी करनी, तूने ही सिखलायी थी॥

कभी लगी जो ठोकर.....

माँ तेरी पोषित ये डाली, आज बड़ी सी शाख हुई।
मुझे पता है मेरी खातिर माँ तू इक दिन राख हुई॥
नहीं छूट सकता ये बंधन प्राण परखेरू उड़ने तक।
नहीं छोड़कर जाने की तो कसम तूने भी खाई थी॥

कभी लगी जो ठोकर.....

धन्य धन्य माँ धन्य कोटि तू ये तेरी प्रभुताई थी।
धन्य धन्य माँ धन्य कोटि तू ये तेरी प्रभुताई थी।
धन्य धन्य माँ धन्य कोटि तू ये तेरी प्रभुताई थी॥

From Chairman's Desk

In North Point Residential School, relationships between staff and students are friendly and mutually respectful : where a modern approach to education offers opportunities for students' all round development. Students are given lively and friendly environment with a wide range of academic and extra curricular opportunities to develop their individual interests and aptitudes.

The school aims to make the child, a true citizen of the world, with positive attitude and respect for natural and cultural heritage. It is true that you know your child better than anyone, but we believe by working as a team together with you we can encourage and support their development. We aim to make your child feel safe and happy at North Point Residential School, so that they can add to their success and add confidence to face the new challenges.

The school strives to impart quality education and to give your child an experience of happy learning. A committed team of well qualified teachers supported by dedicated and professional management staff is the success history of North Point Residential School over the last one and a half decade. For further queries I look forward to your visit to North Point Residential School to discuss personally your Child's Dream.

Mr. S Kumar, Chief Managing Director

From Managing Director's Desk

North Point Residential School is a dream of a modern approach to education to offer opportunities for students' all round development. Students are here taken care of their individual interests and talents. The school aims at the child's future as a true citizen of the country, with positive attitude and respect for rich heritage and social identity. We try to provide the student a safe and happy environment for developing the right confidence to face the world. The school aims at quality education and to give your child an experience of happy learning. We are a team of well qualified teachers and supportive, dedicated and professional management staff. We seek to be your child's mentor.

Mrs. Rinju Soni, Managing Director

From Principal's Desk

Unfortunately, education is still a far cry to many children in our society. The landmark passing of the Right of Children in the age group of six to fourteen years to free and Compulsory Education (RTE) Act 2009 marks a historic moment for children of India. Besides this, the country is making tremendous improvement in content diversification, methodologies and use of information technology (IT) towards child-centric education.

In this backdrop, I am immensely glad to say that we, at North Point Residential School have been endeavoring from dawn to dusk to provide affordable quality education to every child. We ensure to take due care of the individuality of every child before educating him / her. Our relentless effort is unfailingly targeted to realize the worth of every child in the process of nation building.

Thank you very much for keeping faith on our good work and being a part of our journey since 1996.

Mrs. Sumita Rai, Principal

From Vice Principal's Desk

The Parable of the talents is what comes to my mind, as soon as I think of a school/ educational institution. Every student coming to school from different backgrounds and so different talents. Some have more talents and some less. The work of the administration and teachers in NPRS is to help the children to recognise their talents and develop each one of them. Everyone may not become a doctor, an engineer, a scientist or a great teacher but we help them to become a compassionate and philanthropic human being. With the above aim in mind we in NPRS help children develop a deep rooted faith in God, a high sense of self esteem and love for moral values, for we believe, with these qualities realised they can face all challenges in life. With the above aim in mind we in NPRS welcome you to our family. Together we can make a difference in your child's life.

Mr. Nellikunnel John George, Vice Principal

From Administrator's Desk

Ever since it has been established, North Point Residential School, Ranidanga, Siliguri has grown manifold. We try to make a difference in the lives of our students. Our school always imparts value-based education, in achieving our core values of discipline, confidence, and integrity forms the integrated curriculum of the School with a strong commitment to continuous improvement, and first class academic standard of education. Our students here are not only getting their formal education, but also learning the true value of life. Our child must be morally, socially, intellectually, and economically endowed and equipped. The school aims at providing all round development to the students both in academic and co-curricular activities. School has dedicated teaching staff. The students are well disciplined and full of enthusiasm. They are always eager to learn. "The flowers of tomorrow are in today's seeds" and this is what we always keep in mind before we nurture every seed with love and care, to allow them to bloom into beautiful flowers spreading their fragrance wherever they are in future.

Mr. Sanjeet Nandi, Administrator (Ranidanga)

The only jewel which will not decay is knowledge. The wonderful period in a person's life time is known as school life, as it is unique, irreplaceable, and unforgettable. The memories created here, sustains and uplifts us throughout. These are factors that motivate us to go through a continuous process of reflection and hence we at North Point Residential School work at implementing a well balanced curriculum to ensure that the children who walk in to the portals of our school will not just love their school years but truly be prepared to face life's challenges.

Even as we impart education to match the advancement in technology and globalization, we march our children ahead with the ethos of moral values and principles.

A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create a child-centric school. I congratulate the entire team of NPRS for their hard work and dedication in making this dream come true. I am sure through collaborative effort we can achieve more to benefit our students who are future leaders of tomorrow.

With sincere and warm regards-

Mrs. Ashia Khatoon, Headmistress (Primary Extn. Lake Town)

North Point Residential School is one of the most esteemed and eminently leading co - educational boarding schools in North Bengal, successfully running under the aegis of “Maa Gita Debi Educational Society”, established in 1996. We impart successful and result oriented classes from Nursery to Class XII under CBSE curriculum, with a commendable team of well trained and qualified teachers working under the effective guidance of the school administration. We take utmost care to develop every child in all spheres of life. The curriculum and the teaching process has been tuned, keeping in mind the need of every child, so that they excel in life.

North Point Residential School, Ranidanga is upgraded to Senior Secondary level by the CBSE and caters to the needs of children wanting to admit themselves in Class XI by providing all the three streams:

1. Science 2. Commerce 3. Humanities
Trained and experienced post graduate teachers teach each of the subjects as regular or visiting faculty. Every effort is made to provide the students the best possible help in achieving their dreams.

INTEGRATED CLASSROOM PROGRAMME (IIT-JEE/MED/CA-CPT/CLAT)

Kids' Batch (Class NURSERY TO UKG) :

Kids' Batch consists of Nursery, Lower K.G. and Upper K.G. In most cases these classes are the 1st experience of Formal education for these tiny tots. Our teachers take personal care in nurturing them and imparting the right spirit and desire for learning the basics to climb higher in life. The main concentration here is on reading, writing, drawing and imbibing good qualities. They do it most willingly and happily.

Learners' Batch (CLASS I to VI) :

Here the children are adequately prepared to meet new challenges. They are introduced to various other subjects and their methodical learning. Qualified and trained teachers look after the needs of the children and like a good friend, Philosopher and guide enable the children to distinguish between what is right and wrong, acceptable and not acceptable. The children thus are guided to think independently and be self dependent.

Integrated Programme for Beginners Batch (Class VII & VIII):

The integrated classroom programme at North Point Residential School intends to show the students a planned route to a career sight in the school years beginning from class VII. The programme is meticulously designed to suit regular school time – table without creating any extra burden on a child, helping him/her to excel in both school curriculum and all future competitive exams.

The programme begins with path breaking Foundation Programme for students of classes VII and VIII. The Programme at this stage primarily works on doing away with fears of students in the concerned subjects by generating interest and building confidence under the able guidance of acclaimed professionals.

Integrated Programme for Founders Batch (Class IX & X) :

The foundation laid in the first stage of programme enables a learner to make a choice of career in the areas of medicine, engineering and so on by the time he/she enters class IX/X.

In the recent years the selection process as well as competition level in these chosen fields of career have undergone a sea change. This prompts to prepare the desired candidates ideally from class IX and most definitely from Class X. This journey will be 3/4 years long and along the way their milestones to achieve as well like NTSE, Jr and Sr. Olympiads and KVPY etc.

Integrated Programme for Target Batch (Class XI & XII) :

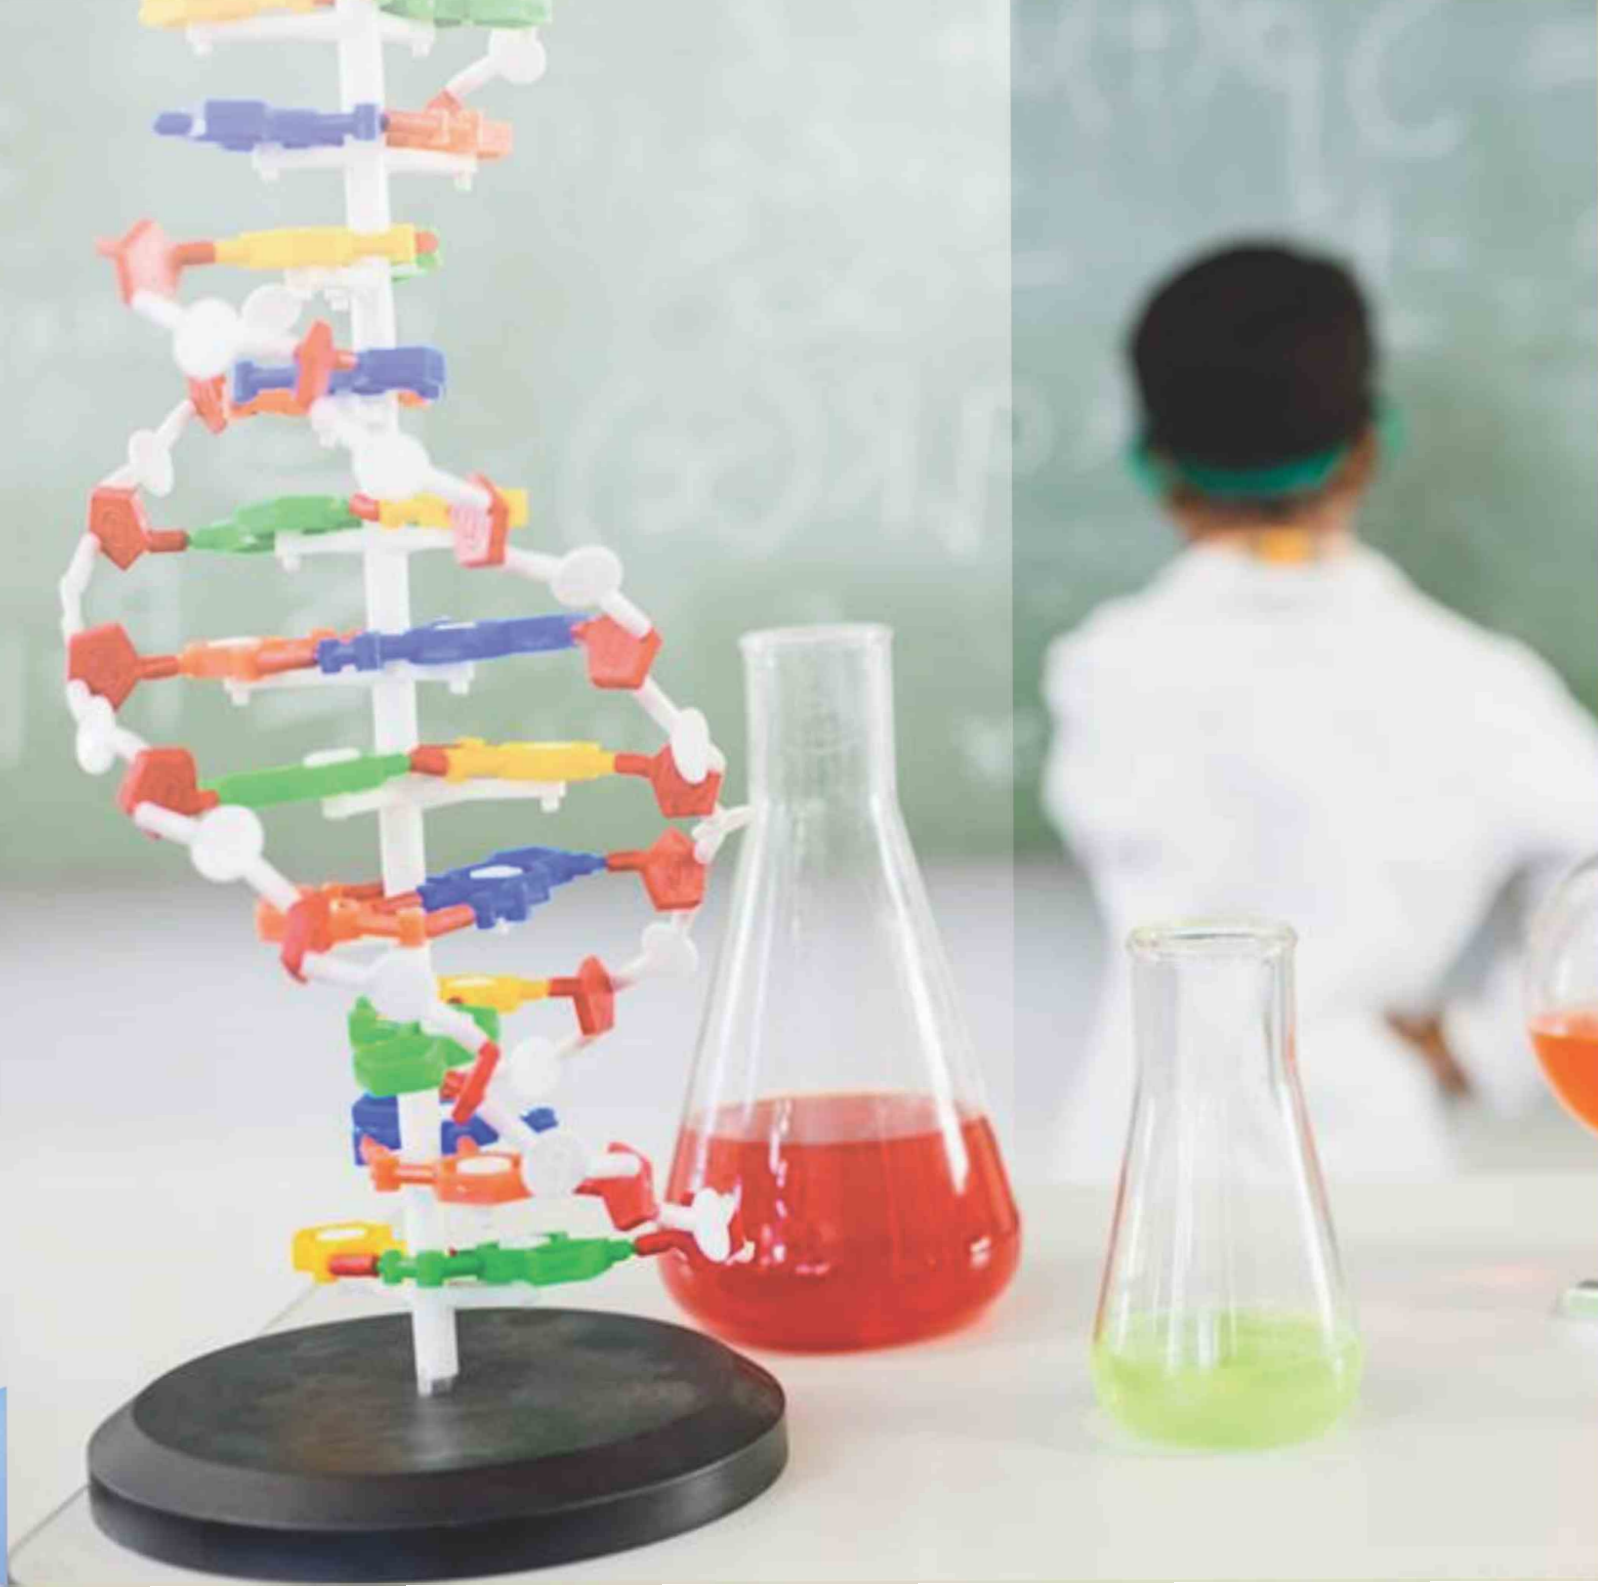

The final years of integrated classroom programme for classes XI/XII is a unique, exhaustive and scientifically designed programme to cater to the needs of high achieving and ambitious students who wish to appear in different competitive exams like IIT-JEE(main & advance), WB JEE, C.E.T., Medical etc after school.

The regular diagnostic and remedial classes under a team of specialized professionals eventually help a student to reach his/her goal in the chosen field of career.

School Infrastructure

- School is well equipped with CCTV.
- School functions with ERP System.
- Introducing career counseling from Class – VII to XII with special stress on preparation for Medical and Engineering entrance examinations. separate counseling classes for all children based on life skills.

Activities

The school organizes many co-curricular and extracurricular activities to help children channelize their youthful energy & to guide enthusiasm and their young minds to creative pursuits and to develop diverse talents:

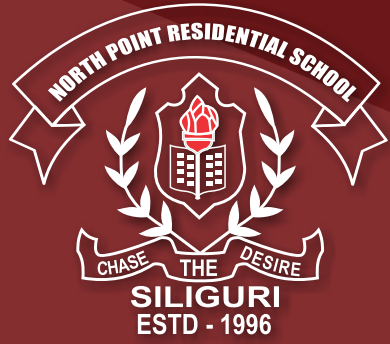

- **Stage Activities** : Dramatics, elocution, quiz debate, Pantomime, song and dance (classical, modern and folk).
- **Music Instrumental** : Keyboard, Harmonium, Guitar, Tabla, Flute, Drum.
- **Vocal** : Modern, Classical, Folk and Pop.
- **Art and Craft** : Fine Art, Painting, Paper cutting, Paper Mache work.
- **Information and Technology** : Software and Hardware knowledge through proper demonstration.
- **Literary** : Recitation, Declamation, Elocution, Debate, Extempore, Wall Magazine and class magazine are conducted in the school within the co-curricular events.
- **Educational Tour** : At regular interval the school arranges for the educational trips to various environmental sites in North Bengal / Other parts of the country with rich natural and cultural heritage.
- **Games and Sports** : Indoor and Outdoor game facilities are provided within the school premises along with intra and inter school competition
- **Karate classes for all students.**
- **Health** : Regular Medical check up.
- **Exhibition & Seminar** : School conducts science exhibition and seminars on different subjects.

Career

Education is not a mere acquisition of knowledge but finding the value of acquired knowledge in the process of nation building. This is how education develops an individual and then a society. North Point Residential School takes this responsibility a step further by introducing focused study from class VII onwards, The class is divided into BEGINNERS COURSE (classes VII and VIII), FOUNDATION COURSE (classes IX and X). We take due care in classes XI and XII to guide our students to identify their aptitude and interests to plan the most suitable role for them in a society. We ensure the worth of each individual child in the present and future society.

“Football
Our Passion”

Academics

The school offers many excellent facilities for students to study all areas of the curriculum. All classrooms are spacious, well ventilated with sufficient light, comfortable furniture and fitted with soft boards on the wall for displaying creative works of children. The school has computer lab with multimedia computers, well equipped Science laboratories, dance room, a music room with traditional and western musical instruments. We have a library with reading room. The School also has Badminton and Volleyball courts. The school takes utmost care, so that the academic performances of the students are high. The school has well experienced and dedicated teachers, who are experts in their respective fields. We not only impart basic education, but also actively involve the students in various activities. Projects, group discussions, practical etc which forms the basic part of our curriculum. Attention is given to each and every student's individuality.

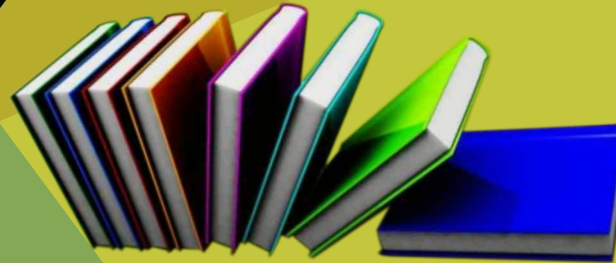

Education is not preparation for life;
education is life itself.

Library

NPRS library helps prepare students to live and learn in a world of information. The mission of the school library is to ensure that students and staff are able to use ideas and information. NPRS library provide access to materials in all formats. It helps increase students' interest in reading, viewing, and using information and ideas. Research shows that our school library with the right staffing, funding, and a rich collection of books has a positive impact on students.

Audio Visual Classroom (Smart Class)

The classroom is equipped with a video projector, sound system, Windows computer, laptop interface and DVD/ VCR. It can also be equipped with any of the following on an as needed basis: Document camera, Slide projector, Overhead transparency projector, Poly Com teleconferencing system, Audio or video recording equipment.

Playground

NPRS offers a wide range of playground equipments to enhance the physical as well as mental growth of the children through balancing, climbing, crawling, sliding, swinging, hanging etc. it is a vital part of childhood that helps children develop physical strength, coordination and balance.

“We may have different religions,
coloured skin, but we belong
to one human race.”

Hostel

We have separate hostels for boys and girls. Each dormitory is provided with washrooms and toilets for the comfort of the children. The residential Hostel superintendent and his assistants are responsible for the day -to -day administration and supervision of the Hostel and Boarders. There is a firm set of rules governing the hostellers, but the overriding aim is the establishment of a sensible, friendly environment within which the hostellers can develop personal qualities, responsible attitude and respect for individuals. The residential Hostel Superintendent, in addition to supervising their studies with other residential and day teachers act as a friend and guide for the hostellers, host of activities are organised for the betterment and overall growth of the students. Regular games, P.T., Yoga & other Physical training both indoor and outdoor are must for every hosteller.

Annual Sports Day

Curriculum

The school follows the CBSE curriculum. English being the medium of instruction, it is mandatory for teachers as well as students to use English within the school compound. As we expect a number of children from the SAARC countries, we aim to provide relevant curriculum suitable to all these countries. As such, in addition to the CBSE prescribed text books, we also refer to help prepare the children for a wider international context.

Education is the most powerful weapon
which you can use to change the world.
