## माता पिता का प्रेम

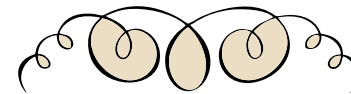

माता-पिता हमें ईश्वर का वरदान है,  
वो हमारे जीवन में हमेंशा विद्यामान है,  
हमें छांव में रखा खुद जलते रहे धूप में,  
हमने देखा है फरिश्ता अपने माता-पिता के रूप में,

मां का आंचल ठंडी छांव सा लगता है,  
पिता का प्यार सहारे की तरह साथ रहता है,  
जो हमारे बुरे समय में हमेंशा साथ होते हैं,  
वो कोई और नहीं बल्की हमारे मां बाप होते हैं,

माता पिता के प्यार का कोई मूल्य नहीं होता,  
इनकी सेवा करने से बड़ा कोई तीर्थ स्थल नहीं होता,  
जिसके होने से मैं खुद को मुकम्मल मानती हूं,  
मेरे रब के बाद में बस अपने मां बाप को जानती हूं,

मेरी दुनिया में इतनी जो शोहरत है,  
वो सिर्फ मेरे माता पिता की बदौलत है,  
मां बाप के प्यार को कभी ना भूलना,  
नहीं तो पड जाएगा जीवन की कठिनाईयो में झूलना,

रखना हमेंशा अपने मां बाप को ऐसे घर में,  
जैसे तुम रहते थे अपने मां बाप के घर में,  
जीवन में हमें उनका सतकार करना,  
कभी अपने मां बाप का बहिष्कार न करना,

## *From the Desk of* Chief Managing Director

***“The aim of education is the knowledge, not of facts, but of values.”***

We at North Point Residential School firmly believe that the purpose of education is to bring hope and happiness to the lives of people by eliminating any obstructions that may hinder a child from obtaining knowledge. With this agreed principle, we have been working persistently since 1996 to create a level field for students. We feel proud of the opportunity presented before us to add value by providing quality education which in turn would empower students to “Chase the Desire”.

**Mr. S. Kumar**

## *From the Desk of* Managing Director

***“Education is the most powerful weapon which you can use to change the world.”***

What started as a dream is now a beautiful reality for students to realize their aspirations. North Point Residential School, Siliguri has come a long way to be reckoned as one of the best schools in Siliguri. We identify ourselves as an abode of learning that focuses on creating a safe and sound environment for children to learn, grow, and succeed. The school aims to provide quality education by facilitating students with all the necessary resources required to transform them into a global citizens who understands the responsibility and has the confidence to face the challenges and succeed.

**Mrs. Rinju Soni**

## From Principal's Desk

Greetings From North Point Residential School!

I am humbled to be a part of North Point Residential School, Ranidanga since October, 2013. This period of eleven years have been a great decade of learning for each one of us! Taking each step towards our commitment to every child's holistic development made the journey more promising.

The initial phase of our educational endeavor was primarily reaching to each parent and child to make them understand our vision and eventually sharing a common vision of growing & enriching ourselves to align with the needs of ever changing human civilization. A small step taken towards excellence based on faith & mutual growth culminated into a giant leap towards academic conglomerate of diverse individualities & potentialities, interests & ideas, talents & skills! With the unwavering faith & support received from each & every stakeholder in the past 28 years, the school has made progress by leaps & bounds in terms of enrollment, infrastructure, service & recognition. Our daily educational practice is a blend of rich Indian traditional heritage and revolutionary modern pedagogies. We have come a long way in the digitalization of our work culture by embracing new technologies to embark on the era of digital India. We strongly believe in keeping transparency in the transaction of our service to the human society and base our approach in morality and professional ethics.

Today, North Point Residential School is a trusted brand for quality formal education from Pre-primary to higher secondary level across the nation & beyond our national boundaries specially in Bangladesh & Nepal. The school is affiliated to Central Board of Secondary Education (CBSE) since 2014 & offering different language, elective & skill subjects under all three streams of Commerce, Humanities & Science in plus 2 since 2016. Our sincere relentless efforts to create a better global society with the most powerful tool of education have been very rewarding all these years. I, on behalf of entire school fraternity thank each believer of North Point Residential School from the core of my heart. Stay with us in a marvelous journey of finding the worth of each human for building a world of better choice!

God bless.

**Mrs. Sumita Rai**

## From Vice Principal's Desk

Education is a dynamic Process of growth which lasts as long as there is life. Education is determined by what is one's aim in life / what one wants to be, what one considers to be good or bad for him /her etc..

In a democratic system, the aim of education is provision of facilities for all round development of the individual's potentialities. It is the responsibility of the teachers, parents and society. A combined effort will bring out the best in each child and help him or her develop oneself to the Maximum.

In the process we all have a duty to teach the child respect, self-discipline, self-confidence, self-dependence and the welfare of all, around him/her. This goes well in line with Rabindranath Tagore's vision of education; it's not only the acquisition of knowledge but the development of the whole person.

At North Point we strive hard not to focus only to the classroom but also to its exterior. We also try to remove the Remoras from the lives of our students. Thus they get purified under our experienced and patient mentors and become balanced and contented individuals. Thanks to our parents and guardians for their perpetual faith and trust in us.

**Mr. Nellikunnel John George**

## From Administrator's Desk

*"Education is the key to unlock the golden door of freedom."*

Ever since it has been established, North Point Residential School, Ranidanga, Siliguri has grown manifold. School truly believes over all development. Education does not mean a mere knowledge of different subjects. It is something more than that. It is the character building of the child. We are very sensitive to the child's special needs. We guide them, develop them to harvest the full benefit of the schooling and building of the character slowly but firmly.

Our trained teachers and staff, by their long experience, try to uncover their hidden talents and strength. The vision and mission of School is nothing but to help to discover the talent in the students and support to develop them so as to make them achievers. School has been actively involved in strategic decisions regarding curriculum development, talent attraction, teacher capacity development, parent development and many more areas. We mould and shape our children to make them smart, confident, knowledgeable and above all well-disciplined.

**Mr. Sanjeet Nandi**

## From Headmistress's Desk (Lake Town Branch)

Education is not a mere acquisition of knowledge but the value of acquired knowledge in the process of nation building. There is significant role of education in moulding ethics and culture of the society. The thread of the growth of the society depends upon the quality of education that is imparted.

North Point Residential School provides distinctive blend of education along with allied arenas, so that every students gets to learn beyond subjects. We believe in empowering our children in such a manner that they act as representative of a meaningful and value-based society. We have a team of fabulous faculty members who display boundless energy and intense commitment which keeps the ethos of our school shining brightly.

I applaud the efforts of the management for upliftment of the school with total commitment.

Administering this fraternity with all its difficult facets has had its challenges, but imbuing with an opportunity to experience this familial fragrance more than a decade has been a privilege, as well as an honour for me.

I extend my sincere thanks to all the esteemed members who have contributed and honed the institution to perfection. I am sure through collaborative effort we can bent light to benefit our students who are the future leaders of tomorrow.

With warm Regards

**Mrs. Ashia Khatoun**

## Our Team

Working under the noble and sincere guidance of esteemed and eminent school management our team is a group of experienced and young members who share an unequivocal passion to enlighten the life of a student. The selfless service we are into demands cooperation and coordination from different departments at different levels and God willing we have conjured a team that works together to ensure a brighter future for the school.

Owing to our communicative approach the students around us feel safe and secure as we see things beyond academics by being with them throughout the educational journey creating a greater sense of belonging towards school.

**“Education is not the filling of a pail,  
but the lighting of a fire.”**

## Introduction

Affiliated to CBSE 10+2, North Point Residential School is an English Medium Co-educational Boarding Cum Day School in Siliguri. Since its inception in 1996, the school under the aegis of “Maa Gita Debi Educational Society” has been a testament to true and impartial knowledge eradicating any obstacles to achieving the shared vision of evolution through education.

The school at its very core believes in laying a strong foundation therefore the curriculum from Nursery to Class XII is result-oriented with a meticulous focus on the academic and personal development of a child.

Sharing the responsibility for student's welfare and well-being is our team of trained and qualified teachers whose contribution to molding the future of the child is unparalleled. Their consistent effort through dialogue, discussion, and deliberation have made the school the most preferred CBSE Boarding Cum Day School in West Bengal with students coming from India and across to attain the quality education provided by the school.

# Introduction (Lake Town Branch)

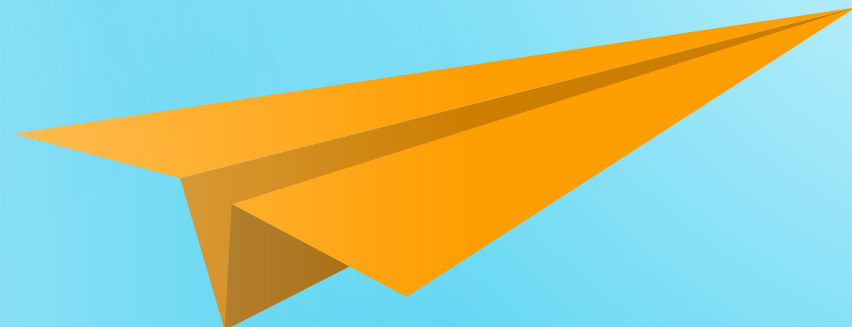

With a motto "Chase the desire", an institution was established 27 years back in 1996. North Point Residential School had its beginning in Siliguri at Laketown under the aegis of "Maa Gita Debi Educational Society".

As the years passed by, the institution kept growing with more number of students and experienced faculty members. Today NPRS stands as one of the best institutions in the town. It has established teaching and learning as core values.

Right from the inception in 1996 till date, NPRS has pioneered education enduring great vigilance in the accomplishment of the mission of providing an environment in which every student discovers and realizes their full potential.

As the motto goes "Chase the desire" the management and the faculty has struggled hard to empower students by providing them with holistic education. The institution ensures that the children are not only tutored with facts but are also inculcated with good values and principles. Be it academics or physical education, the children are taught to excel in every aspect of education. The faculty has worked hard towards personality development of students and preparing them for life. Being a successful school, NPRS has managed to create a culture of collaboration and shared responsibility among staff, students and with families and communities.

## Motto

Chase The Desire - The motto of the school accentuates the collective effort to reach the goal through the right approach and right attitude.

## Our Vision

- ▶ We steadfastly believe that education is not mere preparation for life but is LIFE ITSELF.
- ▶ We hold that every child is endowed with certain unique gifts by the creator.
- ▶ We are convinced of the total personality development of the child – Physical, Mental, Aesthetic, Social, and Spiritual Dimensions.
- ▶ We believe that a student's self-esteem is enhanced by positive relationships & mutual respect among and between students and members of the staff.
- ▶ We hold that there is a vital relationship between Parents, Schools, and community.
- ▶ We hold that a highly self-motivated, self-disciplined, and creative faculty is indispensable in achieving our mission and goals.

## Our Mission

To fulfill the vision, North Point Residential School provides an environment where every student discovers and realizes his full potential. The school attracts the best talented - students, teachers, and facilitators - from all parts of India. North Point Residential School, as a residential school, maintains a sharp focus on the pursuit of knowledge and skill. In addition, drawing on its traditions and rich history, the school aims at the broader development of the personality of its students by creating:

- ▶ A questioning mind and a spirit of adventure.
- ▶ A strong secular ethos.
- ▶ Leadership, with a sense of teamwork and fair play.
- ▶ An awareness of the environment.
- ▶ A concern for the less fortunate.
- ▶ A concern for human rights and democratic values.

# Achievements

## Conquering The Coveted CBSE Cluster II Volleyball Tournament (under 19 boys 2023-24)

CBSE Cluster II Volleyball Tournament held in Odisha brought a laurel of success for the boys of North Point Residential School, Siliguri. We emerged as an undisputed champion by defeating 33 teams from West Bengal, Chhattisgarh & Odisha.

The boys from the very beginning were ready for it and the team we built through a rigorous selection process where numerous inter-house and inter-school matches were played to test the mettle of players. The unwavering support of school management in this context is unparalleled giving the confidence required to compete and become a CBSE Cluster II Volleyball Champion.

The  
VOLLEYBALL  
WARRIORS  
of NPRS

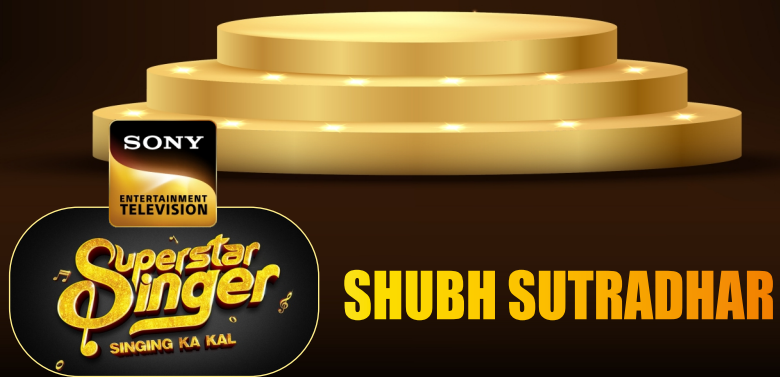

The landmark achievement attained by the school at the expense of tremendous hard work put up by boys, coach, support staff and team manager for more than a month pulled off a victory that will live on for years and years to come. This was not an ordinary competition, a win here has guaranteed us a place in the national-level school volleyball tournament where teams from all across India would participate to lay their hands in the coveted CBSE National Inter-school Volleyball Champion.

We congratulate the team and wish them great success in their future endeavours.

# Singing Sensation of North Point Residential School, Siliguri

When talent meets opportunity, stars like **Shubh** are born, a singing sensation from Siliguri, studying at **North Point Residential School, Ranidanga** whose selection in the main event of **Superstar Singer Season 3**, India's No.1 singing reality show premiered at **Sony Entertainment Television** has brought immense laurels to the entire city of North Bengal.

His passion and dedication for music has made him what he is today and his continued effort to understand the melody of rhythm and instruments has earned him a place where only few can stand. We as an academic guardian are immensely proud of his achievement and believe this is just the beginning of his bright career.

The struggle of Shubh is an inspiration for all. From the stage of school concerts and events to the mega stage of Superstar Singer Season 3, it has been an incredible journey. We wish you the best in your life and believe your talent will see you to great height of success.

Every year this pristine institute has witnessed great achievers AISSE and AISSCE.  
We wish them success and believe their achievements will inspire others to follow in their footsteps.

# Infrastructure

With a majestic view of meandering hills atop, the formidable and imposing school building is encircled by nature-oriented premises, a new executive hostel block, and a playground. The school infrastructure in its truest form promises to provide a blissful environment for students to learn and succeed.

Sprawled over a multitude of space with the stillness of surroundings our dome of learning is more than a block of bricks and cement, it's a masterly crafted edifice categorized into academic, administrative, residential, and hostel blocks.

The spacious, hygienic, and ventilated classrooms come fitted with smart boards and all the necessary academic accouterments to aid the process of learning. Besides that the facilities of modern labs, library, language room, recreational area, indoor and outdoor sports space, multipurpose hall, auditorium, kids playing area, etc offer students everything they need to pursue the path of learning.

# Laboratories

## Computer Laboratory

The computer lab of the school houses upgraded and modern computers to enable students to learn the basic and advanced curriculum as prescribed under the syllabus of CBSE. The basics of IT, and programming, along with Windows-preinstalled applications are taught to students in theoretical and practical manners by well-qualified and certified computer teachers.

## Science Labs (Physics, Chemistry & Bio)

The sophisticated science lab of the school is categorized into physics, chemistry, and biology sections. There are numerous biological specimens and apparatus to promote research and development. The equipment and instruments available allow the student to perform experiments and study various principles and laws prescribed in the books to lay a strong foundation for understanding the phenomenon of science.

## Maths Lab

The computerized mathematics Laboratory is a center of activity for students to find and resolve problems equating from books that demand practical implications. The tools acquired by the school enhance the rate of learning thereby maximizing the opportunity to unravel the intricacies of numbers associated with mathematics.

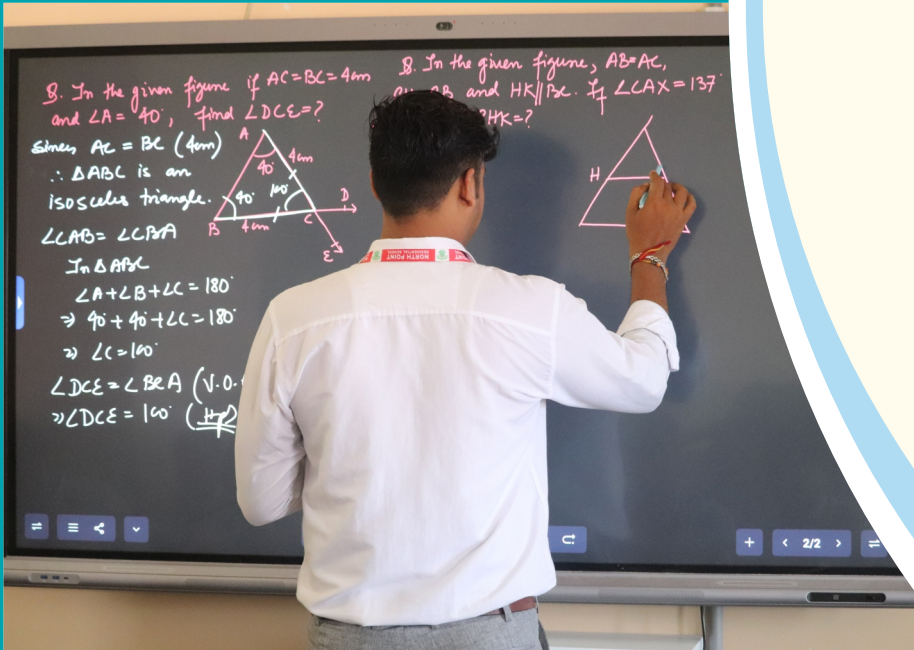

# Library

In a world of information, it is imperative to be aware and conscious of things happening around us, and the school library is the medium to feed students with worldwide knowledge. The well-stocked library of the school is a source of developing interest among students to read. The materials available are vast and vivid, and the distinct collections of books cover different aspects catering to the needs of readers who often take suggestions from the school librarian to choose the reference for the reading as per their preference and interest.

# Audio Visual Classroom (Smart Class)

Every classroom of North Point Residential School is equipped with a smart board powered by Windows to aid the process of learning. This modern equipment connected with Wireless internet brings the world of knowledge within the reach of students. The audio-visual projection combined with a long green board represents the cult of contemporary and traditional teaching methods leading to the symmetrical completion of syllabus and clearance of concept.

# Infirmary

The school infirmary is a multi-bedded refuge to counter or arrest minor injuries or ailments. The qualified and experienced medical attendants take care of the students and provide first-hand support for their speedy recovery.

## Multi-purpose Hall

The newly inducted multi-purpose hall of the school is a testament to the sincere effort put forth by the management to add more features to the dynamic infrastructure of the school. An inviting and luminous reception and waiting area adjoins the lovely and lavish multipurpose hall. This latest addition to the school's stately structure is done with the motive of creating an interesting and interactive educational environment.

## Academic Curriculum

The school follows the CBSE curriculum with English being the medium of instruction. It is mandatory for teachers as well as students to speak in English within the school compound. There is a strict set of rules to promote English as a mode of communication and repeated non-compliance is thoroughly discouraged via disciplinary action.

While we expect an influx of students from SAARC countries, we aim to provide a relevant curriculum that transforms a student into a global citizen for we understand the responsibility of navigating their future into the right path through the right actions.

## Career Counselling

Education is not a mere acquisition of knowledge but finding the value of acquired knowledge in the process of nation-building. This is how education develops an individual and then a society. North Point Residential School works shoulder to shoulder in laying a strong foundation through academic and career counselling by visiting faculties and some prominent personalities from diverse fields.

The in-house academic counsellor is tasked to map the behavioral, emotional, and psychological changes in students, this way we pay due attention to the transition and changes students are going through.

# Games

North Point Residential School offers a wide range of indoor and outdoor sports to enhance the physical and mental growth of the children. The availability of a basketball court, Volleyball ground, football field, practice cricket pitch, and outdoor badminton court contributes to daily outdoor sports activities. The in-house sports features chess, table tennis, carrom, etc.

Along with a playground, the school has an abundance of sports equipments required to conduct the smooth conduction of inter-house and inter-school games. Qualified and trained physical education teachers oversee the proceedings with the sole objective of embedding collectivism and competitiveness.

## *Social & Cultural Activities*

North Point Residential School, Siliguri gives utmost impetus to social and cultural activities. Participation in such events brings out the true character of students by exposing them to a platform where they express, experiment and evolve.

Throughout the academic year, numerous opportunities are provided to students to represent and such initiative has worked wonders in unlocking the true potential of students.

Cultural activities include a Multicultural Fair, Annual Concert, Annual Sports Day, Multi-Disciplinary Exhibition, Dance Competition, Music, Workshops, Art & Craft Etc.

Social Activities highlights - Blanket Distribution to needy people, Tree Plantation, Educational Tour, Life Skills Training, Awareness Campaigns, Rural Upliftment Programmes, Environmental Programmes Etc.

The main aim of social and cultural activities is to refine students behaviorally and to imbibe moral values leading to a self-disciplined and self-confident individual.

## Co-curricular Activities

The co-curricular activities are an integral part of the school education system. It is a medium through which talents are identified and acquired to achieve greatness. The weekly co-curricular activities help children channel their youthful energy into creative pursuits correspondingly developing a diverse pool of talent and ingenuity.

- 1. Literary:** Recitation, Declamation, Elocution, Debate, Extempore, Creative writing, Spellbee, Quiz, Handwriting etc.

## Annual Award Ceremony - Educating for human greatness

"Success isn't always about greatness. It's about consistency. Consistent hard work leads to success. Greatness will come." — Dwayne Johnson

The Annual Award Ceremony in all fairness encapsulates the effort of NPRS to grace the achievers with the honor and accolades they richly deserve. It aims to instil the value of hard work and dedication among students thereby encouraging everyone to put their best foot forward in academic and non-academic activities.

Endorsing the idea of - the right attitude and the right approach, this year's Annual Award Ceremony celebrated the glory of knowledge and wisdom. The students from nursery to class XII like every year were given trophy, medals and certificate for their efforts in different fields of academics and curricular activities. We believe the recipients will follow the pursuit and lead the way ahead to inspire everyone to strive for excellence.

## *Annual Concert* Celebrating The Spectrum of Talents

North Point Residential School, Siliguri under the aegis of “Maa Gita Debi Educational Society” in its sincere effort to celebrate the spectrum of talents organised the Annual Concert. The mercurial event was attended by dignitaries from around and across North Bengal constituting the event into a grand success.

The 2-day-long Annual Concert held on 22nd and 23rd December will go down in history as the most enterprising event in terms of promoting cultural and social affairs thereby consolidating the facts of how meticulous the school is in balancing the academic and non-academic activities.

The Annual concert served as a great platform for everyone to celebrate the victory of education and endorse the power of knowledge that will certainly bridge the gap to pursue the path of connecting minds and creating milestones.

## Important Features: -

1. Installation of GPS and CCTV cameras.
2. Provision of fire extinguisher and First Aid Box.
3. Thorough service of qualified bus attendants.
4. Dedicated School Transport Department.

# Hostel

Introducing you to the best boarding facility in Siliguri, our hostel is a hallmark of comfort and convenience. The separate air-conditioned block for boys and girls comes fitted with the required amenities and stationeries for students to engage in uninterrupted academic activities.

Each dormitory is provided with spacious washrooms and hygienic toilets. The perimeter of the premise is secured by a security guard with a boundary wall creating an impregnable layer of safety. The rooms are guarded by CCTV surveillance to discourage indiscipline.

The residential administrative head with his able team of wardens oversees the day-to-day affairs of the boarders. There is a set of firm rules and regulations governing the hostellers, but the overriding aim is the establishment of a sensible, empathetic, and congenial environment within which the boarders can develop personal qualities, responsible attitudes, and respect for individuals.

Along with academics, we stand out on health and well-being as we nourish our students with a buffet of balanced and delicious cuisine. Whether it be breakfast, lunch, snacks, or dinner the students enjoy the hot plate with various vegetarian and non-vegetarian options.

Indoor and outdoor sports, music, arts, culture, yoga, meditation, remedial classes, counselling, workshops, educational tours, etc are organized regularly for the overall growth and betterment of the students.
